Pure oils, *built around your brand*

GA Oils is an Indian exporter of essential oils, carrier oils and natural wellness ingredients, based in Dehradun at the foothills of the Himalayas. We work with cosmetic and aromatherapy brands, spas, formulators and distributors across Europe, Australia, New Zealand and Canada — supplying pure oils in bulk and producing finished private-label products that are ready for retail.

Bulk supply

Single essential oils, carrier oils and blends in bulk packs for formulators, cosmetic and flavour manufacturers and re-bottlers.

Private label

Finished bottles under your brand — filling, labelling, retail cartons and leaflets, produced to your specification.

Custom blends

Massage, aromatherapy and infused-oil blends developed to your scent profile, carrier base and price point — or pick a market-proven formula.

Packaging & design support

Help choosing bottles, closures and cartons, plus artwork and label-layout support for your market.

Why brands choose GA Oils

- **Batch-level transparency** — GC-MS report and Certificate of Analysis shared with quotations for in-stock batches.
- **Samples first** — evaluate selected oils before you commit to a bulk order.
- **One partner, full range** — essential, carrier, massage, infused and fragrance oils from a single supplier.
- **Food-grade options** on selected oils such as Thyme, for flavour and food applications.
- **Flexible MOQs** — quoted per oil and pack format; tell us your volumes.
- **Export-ready** — IEC-registered exporter; FOB or DAP (delivered to your door) quotations.
