Tea blends, *built for your brand*

Giva Agro sources teas and botanicals from across India and blends them for wellness and retail brands overseas. From our base in Dehradun, Uttarakhand, we develop signature blends or reproduce your recipe, then pack it in the format your market wants — bulk loose leaf for your own packing line, or finished tea bags, pyramids, pouches and tins under your label.

Ready-to-brand blends

Market-proven wellness blends you can launch quickly under your own label.

Custom blend development

We create a new recipe or match your existing one — flavour, ingredients and target cost.

Private-label packing

Tea bags, pyramids, pouches and tins, printed and packed with your branding.

Bulk supply

Loose-leaf teas, finished blends and cut botanicals in bulk for your own packing line.

Why brands choose Giva Agro

- **Pure ingredients** — 100% pure, non-GMO teas, herbs and spices.
- **Lab testing on request** — pesticide residues, heavy metals and microbiology through accredited labs.
- **Flexible MOQs** — quoted per blend and pack format; tell us your volumes.
- **Samples first** — taste sample blends before you place an order.
- **Label-ready data** — ingredient declarations and a Certificate of Analysis for each batch.
- **Export-ready** — IEC-registered exporter; FOB or DAP (delivered to your door) quotations.

PRODUCT RANGE

Our tea *collection*

Launch with our signature blends, build on classic teas, or create a recipe that is yours alone.

Signature wellness blends

Detox Blend

Dandelion · Milk thistle · Ginger

Earthy and gently spiced — a classic cleanse-style blend for wellness ranges.

Immunity Blend

Echinacea · Elderberry · Turmeric

Fruity and warming — a seasonal favourite for winter-wellness collections.

Calm Blend

Chamomile · Lavender · Lemon balm

Floral and soothing — an evening wind-down blend.

Energy Blend

Green tea · Yerba mate · Ginseng

Bright and naturally caffeinated — a smooth alternative to coffee.

Classic teas

Green Tea
Indian green tea, loose leaf or bagged — on its own or as a base for fruit, floral and herbal blends.

Black Tea
Indian black tea for breakfast-style and spiced blends, loose leaf or bagged.

Create a custom blend

Share a target flavour, function or existing recipe and we develop it with you. Popular Indian botanicals for specialty blends include:

Tulsi (holy basil) · Moringa · Hibiscus · Butterfly pea flower · Lemongrass · Peppermint · Ginger · Turmeric · Cinnamon · Cardamom · Rose petals · Chamomile · Lavender · Lemon balm

Examples only — ask us for current availability and seasonal ingredients.
